Executive Summary

The **Ratanjee 2026 Digital Sports Management & Scoring System** is an enterprise-grade, real-time tournament operations portal engineered for XLRI Delhi. It powers live scoring, on-field referee consoles, sports analytics, and official championship standings across all 15 sporting disciplines.

This manual provides the Sports Committee with an end-to-end operational blueprint for tournament administration, including fixture scheduling, referee allocation, scorecard verification, roster governance, and official leaderboard certification.

1. System Architecture & Access Control

The platform enforces strict **Role-Based Access Control (RBAC)** across three distinct participant tiers:

3. Step-by-Step Operating Procedures

Workflow A: Scheduling a New Match

1. Navigate to Admin Portal (Navbar → Committee).

2. Scroll to the **Tournament Fixtures Schedule** section.
3. Tap **+ Schedule New Match**.
4. In the modal dialog, configure:
 - **Sport**: Select from catalog (e.g. Football, Basketball M, Badminton M).
 - **Home Cohort**: Select **Seniors**.
 - **Away Cohort**: Select **Juniors**.
 - **Venue**: Specify campus court or ground (e.g. *Main Football Ground, Outdoor Basketball Court 1, Badminton H*).
 - **Date & Time**: Set the scheduled start time.
 - **Assign Referee**: Choose an official from the referee dropdown (e.g. Rohan Verma, Priya Sharma).
5. Tap **Confirm & Schedule**. The match is created in **Draft** / **Scheduled** status and immediately visible on the

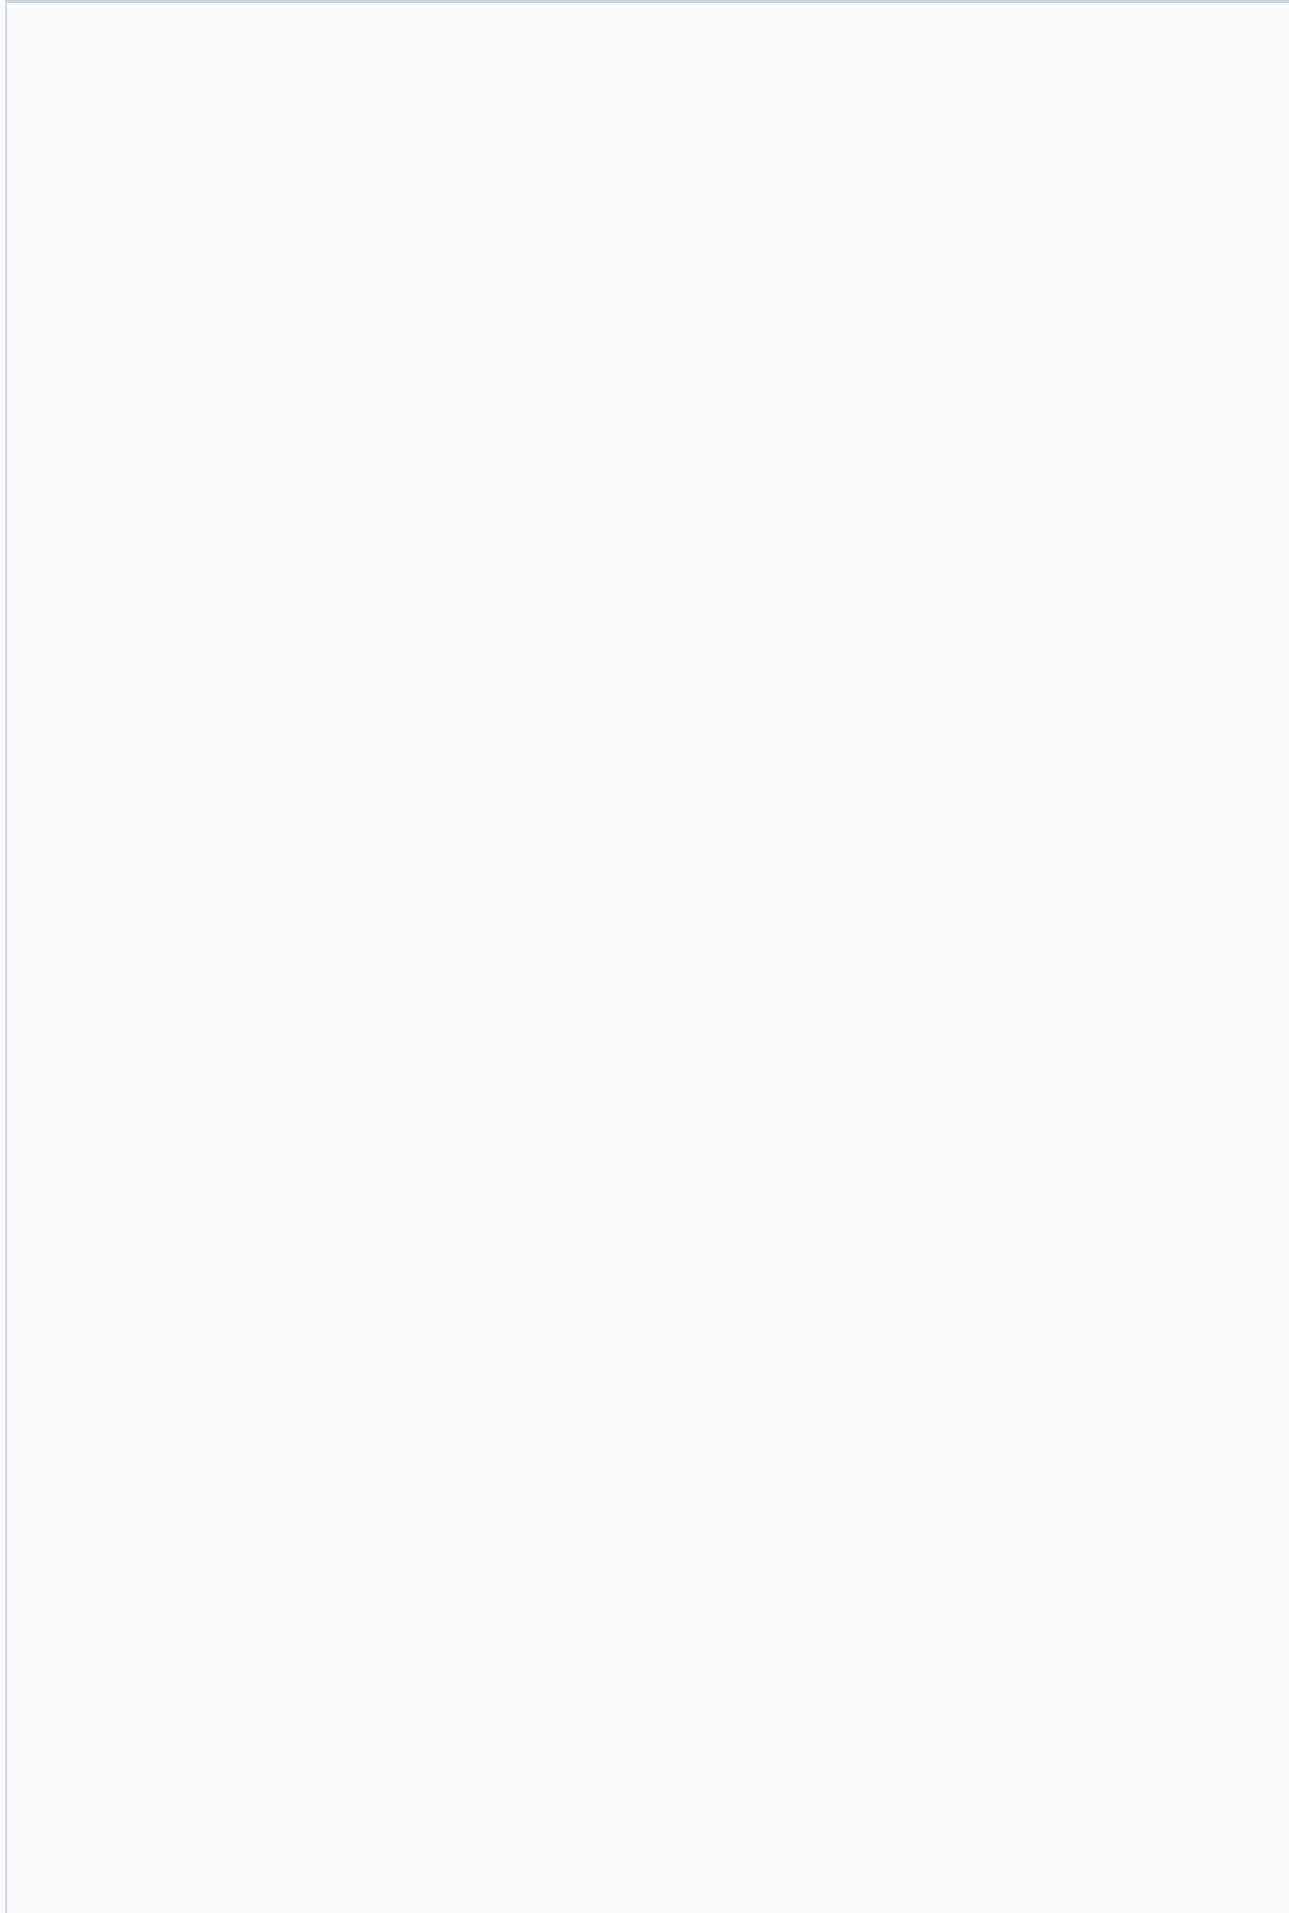

Workflow B: On-Field Scoring by Referees

1. The assigned field referee opens the portal and taps **Ref Access** in the top navigation.
2. Enter their assigned **Referee Passcode** (e.g. **REF-023**) and tap **Access Referee Pad**.
3. Select the assigned match from the fixture list.
4. **Match Clock Controls**: Tap **Start Clock** when play begins; tap **Pause Clock** for timeouts, injuries, or half-time.
5. **Scoring Events**:
 - Tap **+ Goal** (Football/Futsal) or **+ Points** (Basketball/Badminton) and select the scoring athlete.
 - Tap **+ Card / Foul** to issue yellow/red cards or personal fouls.
 - In case of scoring mistakes, tap the **Undo** (↶) button next to the event in the live log.
6. **Concluding the Match**:
 - When the final whistle blows, tap **Submit Final Scorecard**.
 - Enter concluding referee notes (e.g. *"Full time concluded without protests"*).
 - Tap **Submit to Sports Committee**.

- The match status immediately transitions to **SUBMITTED**, locking the referee pad from further edits.

Workflow C: Reviewing, Verifying & Publishing Scorecards

The Sports Committee acts as the sole certification authority before any score affects tournament standings:

Detailed Committee Steps:

1. Open the **Admin Portal** and inspect the **Pending Verification Queue** card.
2. Review the match summary:
 - Final score (e.g. Seniors 3 - 1 Juniors).
 - Sport and venue.
 - Scoring events timeline (minute, athlete, event type).
 - Referee's closing submission notes.
3. If **Disputed**: Tap **Reject to Draft**, enter the rationale in the prompt (e.g. *"Goal in 84th minute disputed"*)
4. If **Certified**:
 - Tap **Verify Scorecard**. Match transitions to **VERIFIED**.
 - Tap **Publish Result**. Match transitions to **PUBLISHED**.
 - The points table updates immediately, and confetti celebrations fire on spectator devices.

4. Emergency Protocols & Conflict Resolution

1. Weather Delays & Ground Conditions

If a match is delayed due to weather:

- Open the match in the **Admin Portal**.
- Tap **Edit Fixture**.
- Update the venue or scheduled start time.
- The public match center displays the rescheduled start time immediately.

2. Disputed Calls & Athlete Ineligibility Protests

If a cohort lodges a formal protest regarding athlete eligibility or officiating:

- The Sports Committee executive team holds final and binding authority.
- The match scorecard **MUST NOT** be published while a protest is pending.
- Use the **Reject to Draft** action with note: *"Scorecard frozen pending Sports Committee review of player e*
- Inspect the athlete roster under the **Contingents** tab to verify student IDs and registered cohort affili
- Once resolved, the referee resubmits the certified scorecard for committee publication.

3. Medical Emergency / Injury Protocol

- If an athlete is injured during play, the referee pauses the match clock immediately.
 - The Committee Admin can navigate to **Contingents** → **[Sport]**, click the athlete's card, and toggle status
 - This updates medical tracking and prevents the athlete from competing until medically cleared.
-
